

A man with a beard and safety glasses is the central figure. He is wearing a dark blue polo shirt with a 'EUROMASTER' logo, a dark vest, and a traditional Scottish kilt. He is also wearing red and black striped socks and brown work boots. He is standing in a grassy field on the left and a garage on the right. In the garage, he is reaching up to work on a car that is elevated on a lift. Another person is visible in the background of the garage. The background of the field shows some trees and a cloudy sky.
